Text and Workbook List and Materials Fee:

Below is the set of books and materials the school provides your child with this year. We order a standard set of books because assignments will be given by page number, and it is important that all students are working from the same editions. A student may reuse a Social Studies textbook* from an older student or sibling. The materials fee also covers the cost per student of the IXL online program. The materials fee may be paid with the first installment due August 1st, or in the school office during the first week of school. ***Total cost is \$315 without the Social Studies textbook and \$385 with the textbook.**

Provided as part of the materials fee:

- "Wordly Wise" vocabulary books
- Social Studies Textbook
- Key Curriculum Math books
- Literature books (6 titles for the year)
- Current events/ science periodicals
- SRA materials and reading logs
